POLICY MEMORANDUM FOR ALL PERSONNEL

SUBJECT: Wear of civilian clothing by military personnel assigned to CPA and designated no hat / no salute areas.

Supervisors of military personnel assigned to CPA may authorize these personnel to wear civilian clothing whenever appropriate. In addition, I have designated the Presidential Palace compound, including all lodging areas and routes to those lodging areas, as no hat no salute areas. The only exception is the front of the Palace leading to the parking lots, which has been designated a covered and salute area. Please ensure that all military personnel render appropriate military courtesies in the designated salute area.
